Comments:	I stopped on my way there when I was driving on Upper Park Drive, after spotting the 24/7 Security vehicle attending a call-out. They escorted me to the property where the dogs belong, house no. 25 Sherwood Street, Forest Town. I met the owner Mr James Peckery who explained that the dogs snuck out because he was busy with construction workers who accidentally left the gate open. I told him that he must tell them to mind the gate. All resolved with the owner of the dogs
