Date: 2023-10-30
Time: 15:03
Inspector: GODFREY MNGUNI

Type: COLLECTION - ANIMAL COLLECTED

Follow-Up Date:

Comments: 2 feral cats were captured in the house and brought to pound cattery. The founder, Mr Mahomed was given an opportunity to guide us on the her plan with the cats as she had been feeding the cats but she mentioned that the cats were becoming too much for her and i can rather see whether the cats will be suitable to be in a home and advise further. To follow-up with her soon
