Comments: The cats were all captured and signed over as surrendered to us while leaving them a cat carrier. The owner, Mr Malebo was later influenced by his friends and compatriots to exchange the cats for cash if not, I should rather leave their cats instead if I dont have any cash. He snatched my keys when I was trying to drive off from the car ignition. I requested backup from CAP security, where I met officers, Motseke and Malungana and we apprehended them to giive back the keys and my cat carrier. They gave back my belongings and the cats were brought to the Pound Cattery. I also met back up from Bramley SAPS after the whole incident constable, Elvis Raseala but I gave them a brief of what happened. Ad. no. Y11/98-101
