Time: 17:54
Inspector: GODFREY MNGUNI

Type: CONTACT-OWNER
Follow-Up Date: 2023-03-08

Comments: The dog was found barking in the cottage and no longer tied to the fence. The caretaker, Ashley gave me the dog owner's contact details who said the dog was being tied because there renovations indoors. He said that they work long hours but his wife can be found at random hours during the week. I told him that I would be coming to check on the dog during the week. To follow up in the next week
