Comments:	I contacted the owner Mr Benjamin, he was not home during my visit, to hear from him the situation about the dogs. He said that he spends most of his time working during the day. He claimed to me that the dogs have full access of the yard at night but he keeps them in their 'place' during the day to avoid them going to the street whenever his fellow tenants open the gate or just jumping over the fence. He said that his dogs have records at the Sandton SPCA Clinic for treatment and vet care services . He said I'm welcome to come and check on the dogs when he's available. We made an appointment to meet on Thursday the 15th June 2023 at 10:00. To meet the owner
