Comments: At the property I found a Chinese lady, named Nini and her hired gardeners who were felling trees. They had no clue what I was talking about saying they had no rabbits kept on the property and they allowed me to view the yard that was under renovations and no one was staying there yard. The address was incorrect

I later phoned the complainant who said the correct address is 48 York Street, Kensington and she was reporting and incident about the rabbits into the street. I told her I'll be going to the address to investigate tomorrow
