General Report Comments: Upon arrival 5 dogs were observed in the property. 3 of them appeared to be underweight. Trevor told me that the dogs belongs to his father and he is works away he is on leave. I educated him about the dog which appears to be sick and that they don't need to have many dogs while they cannot take care or not able to provide food for them. He surrendered one dog which appeared to be sick and I had to give a warning and also educated him about sterilising the dogs.
