General Report Comments: The yard is empty and appears that the dog is left abandoned. I gave dog food and water from the gate. I went to ask the neighbours about the property and I was informed by one of the neighbours the owner left the dog and she has been feeding the dog. I told her I'm going to quickly rush to court so that I can get a warrant. I arrived at the court it was closed.
I went back to give more food to the dog and informed the neighbour my colleague inspector Warren will come over the weekend to check up and provide fresh food, water until Monday then we will get a warrant.
