General Report Comments: At the daughter's house, Precious Ncube gave us access to the house to inspect the living conditions of the dogs. There were 2 dogs at this house including the one that had been staying with Mrs Anna Ncube in Kensington. The dogs appeared to be in acceptable physical condition. Water and shelter were adequately available. We offered to get the dogs spayed but she said she still needs to speak to her husband first and she get back to me. To follow up with her on the phone in 7 days.
