General Report Comments: At the property a minor named Ayanda opened the gate for me to enter. She said her parents were not home and she went ahead and phoned them. The living condition of the dogs were fairly satisfactory. Water and shelter were adequately available. Over the phone, I spoke with her mother, Jabulile Shabangu who said she was away on holiday in KZN and came back this past week when I asked her about the condition of the old dog 'Stacy'. I told her that it will be best if she surrendered the dog. She agreed to sign over the dog to the Sandton SPCA. The dog was humanely put down.
