General Report Comments: The owner didn't appear to have received my warning note as it was still found attached at the gate when I arrived at the property. I hooted unsuccessfully at the gate. I then went to the property next door where it was a church named Solid Community Church and a lady gave me access to have a better view into the yard. There were 2 dogs; a choc-brown Pit-cross-Lab and a black and white Smooth Fox terrier that I could see appeared to be in acceptable physical condition. The dogs were using a covered veranda with cushion and I could also see dog bowl. The owner was not home when I yelled for their attention. I wrote another warning note and placed on the intercom pad for the owner to call me within 24 hours. The complaint was about the dog being on the street and nothing welfare related.
