REPORT

Access Granted By: Sikhumbuzo Ngwenya
Comment:
Were Animals Seen on the Property: No

CHECKLISTS

General Report Comments: Upon arrival no dogs were found in the property. Sikhumbuzo told me that the owner came with the and when he was busy fixing his he chained them after fixing he went with the dogs. He does not know where he resides. I had to educate him that his customers are not allowed to chain animals.

ACTIONS

OWNER EDUCATED
