General Report Comments: Upon arrival one dog was found in the property. Charity told that she is a tenant and the dog was left by another tenant last year and asked her to look after it. She told me that they don't have any other dogs in the property. She said Zaid is his son and called him and Zaid told us that he got a WhatsApp message with those pictures and they told him they are selling some Pitbull puppies 2 of them and it had a father chained and he sent the pictures to his friends if they wanted them the dogs . Zaid told that he was not going to buy the puppies because his mother does not like pitbulls and they are renting . I tried contacting the number but it went to voicemail. The following day again the number went to voicemail. According to Zaid the guy told him if he has money they will meet at a park in Malvern or Bezuidenhout Valley. The phone number is 079 674 1073.
