General Report Comments: On arrival at the property, the owner's gardener called out the owner who opened the gate for us. The owner took us around the house to view their living conditions. He owns 2 adult, a male and a female and a male juvenile American Bullies which he claimed he got them already as adults with cropped ears. He mentioned that he does not believe in ear-cropping dogs and none of it is happening on his property. Mr Govender is a registered American Bully Breeder trading under the name Elusiv Bullys also registered with the International Bully Kennel Club. He said that the certificate issued to him for breeding also has its own conditions in terms amount of The bitch was found pregnant (heavily) and the owner arranged sleeping next to her until she is due to give birth. The dogs had igloo kennels as shelter but they were said to be sleeping indoors. Different water points were placed around the yard for the dogs. There was a live-in gardener on duty who cleans and replaces water every day, according to the owner. The dog are being bred for dog shows and are only sold to a limited market. There were no violation of the Animals Protection Act was noted. Routine inspection to be conducted
