General Report Comments: On arrival at the property, Mr Buyonde told me that he forgot that the owners moved to new address house no. 141 7th Avenue, Bezuidenhout Valley where his sister was renting. He walked me to house where the 2 puppies were kept. They were kept underneath a staircase that was dirty and had a crashed concrete rubble. Water and food(kitchen leftovers) were being provided by tenants and his sister. They were provided with an earthmoving vehicle tyre and a blanket inside to sleep in. The owners had been gone for months and left the 2 puppies. Mr Buyonde said they had other puppies which he doesn't know where they were taken to or the owner's whereabouts. The puppies were signed over to me by Mr Buyonde because the environment was also not suitable for the puppies. The puppies will be admitted as Abandoned for 7 days.
