General Report Comments: There were 2 people, Mother, Gugu Khanyile, and son selling puppies with that were not provided with water when selling. There were 2 other ladies who were concern with the puppies who also confronted the culprits. The mother had "Looking-for-job" sign. They explained to me that they were selling the puppies because they have no money to buy even basic needs and didn't know that selling puppies was wrong. I told them that it's rather best to surrender the puppies to the Sandton SPCA and perhaps find other ways to make ends meet. They surrendered the puppies to me and a Warning was issued to her. She revealed to me that that is one more puppy and a sick dog at their house in Diepsloot. I told them that I will be sending a local SPCA to follow-up on their dogs' living condition at home. To forward the complaint to the Randburg SPCA.
