General Report Comments: Mr Olusoji and I made it to our appointment, where I found him owning 3 adult dogs kept on the premises guarding his property. 2♂+♀ Pitbull dogs and a female Cross Boerboel. The dogs had an extra room with a large blue and white shade cloth laid down for their comfort. Mr Olusoji claimed he comes every morning and evening to water and feed the dogs but the front was dirty with faecal droppings that appeared to be old. I told him that he may not use the dogs for safeguarding unless a license is issued to him by the DAFF in terms of the law. I told him that they are not in an environment suitable for them to live because anything could also while he's at work. He said that he will be arranging an alternative place for the dogs and if he unsuccessful he get back to me. I issued a written warning to Mr Olusoji to correct his dogs' living condition and I'll be coming back to check on them soon.
