General Report Comments: Upon arrival the lions appeared to be in good condition. The lions had shelter, food and water. No lion was under weight. I asked Agness about the under weight lion and she told me that they don't have an underweight lion. One of the 3 male lion was under weight when it came to the zoo a year ago. The lion came from GDARD because they have confiscated it from someone who was keeping it unlawful and the case is pending.
