CHECKLISTS

General Report Comments: Upon arrival I had a warrant but the dogs were no longer in property. They have been removed. I asked Andrew Ngoepe and another guy who did not want to give me his name and they told me that the owner took the dogs. I had to leave a warning note for the owner to contact me so that he will show me the whereabouts of the dogs.

At approximately 17:15 Obvious called me and told me that the dogs does not belong to him. The owner of the dogs reside in Lombardy east but he does not know the address. He will contact me.

At approximately 17:50 Obvious again contacted me and told me that the owner has taken the dogs to Freestate he does not know the address. I asked him to give me the contact details but he told me he will not be able to do so
