General Report Comments: On follow up inspection, Mr Assibong drove in a few minutes later after my arrival. There were 2 kittens still kept in their cottage but the dog was no longer there. The cats provision of adequate food, shelter and access to potable water. The dog was taken to Mr Assibong's brother in the Johannesburg South in a place solely housing his brother and his family. He said they are making plans to move out of the house at the end of the month to Primrose. We discussed the cats with him and persuaded his to surrender them to us for their convenience of moving out but he refused thinking about his daughters. I then offered to have the cats sterilized but he said he will contact me if he makes a decision about the cats. No violation of APA
