Comments:	2 Rottweilers were found at house no. 72 Bessemer Road, Wendywood and they were removed as strays. Someone claimed they were his dogs, and drove in front of me hysterically saying they were his dogs. I said I can't just give the dogs to anyone without verifying their ID but this man forcefully stopped my vehicle pushing me out of the way to off-load his dogs. He removed both the dogs and also took away my leash. I got the man's veh. reg and I went to the Sandton SAPS
