Comments:	The stay dog was collected from Dr Kempis. She mentioned having someone(the finder) who was interested in keeping the dog for a while until the owners come forward but I told her that the dog must kept at a pound to process everything and may not be handed over to anyone. The finder finally came to the vet while I was fetching the dog and I explained the procedures to him. The stray dog was impounded as a stray. Ad. no. Z3/214
