Type:	CALL RECORD - MADE
Follow-Up Date:	
Comments:	Because the day went by without any call, I phoned the owner to make an appointment 25 minutes prior. The phone rang unanswered. I then proceeded to the property. I arrived at the house where I found a gentleman named Emmanuel who was an Angolan national and could not speak English properly . He gave me access into the property where I found the dog still tied to a post with a karate blue belt and a green Rogz dog collar. No shelter and water provided next to the dog. I still phoned the owner who was not answering the phone after several attempts to get a hold of her. I was compelled to impound the dog to prevent further suffering because the dog was left in inclement (rainy) weather. Ad. No. Z4/65. Matter concluded unless they come to claim.
