CHECKLISTS

General Report Comments: I arrived to number 14 Currie road where the complainant said I might hear the dog howling but I did not hear it. I asked a street security guard and he told me that in the past 2 weeks the dog was crying in number 16A Currie road Oaklands because the other dog passed away and its lonely . I went to the property and buzzed a bell but there was no one in the property. I left my business card with the security guard Mr Ndlovu to give the owner my number so that he will phone me
