General Report Comments: I spoke to the owner at 47 Raglan Road Cnr. 100 - 10th Avenue, Sydenham. He owns 2 male dogs which I enquired about and their living conditions. They were acceptable living conditions although informing the seriousness of the dogs running out. Dog kennels were supplied on a covered veranda at the back. There were also potable water and clean feeding bowls. They have multiple partition gates that separate the yard and he claimed the dog would pull the gate leading into garage open when the main gate malfunctions.

I told him he should make sure his family members are very mindful of the dogs when going out. Should this happen again, the dog will be impounded as a stray.
