General Report Comments: Upon arrival the dogs appeared to be in a fair condition. The dogs were not abandoned there are people living in the property. The Pitbull dog was kept in the front garden at the side there is also some rubble because the owner is renovating the house. The dog at the back was roaming freely at the back but there was no rubble. I asked the owner to keep both dogs at the back and she told me they fight each that the reason she separate them. I also educated the owner to increase the scale of the food she gives them.
