General Report Comments: The dogs appeared to be in good condition. The dogs appeared to be fine not scared of the owners. The owner did agree that one dog Zeus cries or howls a lot when they take Thor for a walk . The reason they do not take him for a walk is that he does not like other dogs. She usually walks the dogs alone and I had to educate her that they need to walk both dogs at the same time and his brother or family member needs to help or assist her
