General Report Comments: Upon arrival a Pitbull like dog and 8 puppies were confined in a small space. The Pitbull female dog was also chained with a 1metre chain . Mbali told me that the dog belongs to his brother and he has gone for 5 days without coming back to feed the dogs. He gave me his father's contact details and he told me to take all the dogs because he is also in hospital there is no one to look after them.
