General Report Comments: Upon arrival the owner had cleaned the had cleaned his property. They were flies in property and their dustbin was full and near the dogs kennel which causes the flies. No injuries caused to the dogs by the flies but I had to educate the owner to buy some fly medication to prevent the flies from bothering the dogs. I also educated him to sterilise but he said he is not interested.

ACTIONS

OWNER EDUCATED

REPORT OUTCOMES

No welfare concerns found - NFA
