General Report Comments: The owner, Mr Deon Maritz opened the gate for me. He owns 3 adult (intact) dogs; 1 female and 2 males admitting that he gave away puppies to the Sandton SPCA this morning . The dogs had accessible shelter and fresh water. He stated that he had been struggling to keep more than 3 dogs in his especially when the bitch gives birth to puppies because he is a pensioner. When I informed him about sterilization he was willing to do so when we are ready to assist him in this regard. I made it a point to contact him when I have secured a date to book all of his 3 dogs in April. To sterilize his dogs in April
