General Report Comments: I arrived at the house where I found a gentleman named Emmanuel who was an Angolan national and could not speak English properly. He gave me access to the property where I found the dog still tied to a post with a karate blue belt and a green Rogz dog collar. No shelter and water were provided next to the dog. I still phoned the owner who was not answering the phone after several attempts to get a hold of her. I was compelled to impound the dog to prevent further suffering because the dog was left in inclement(rainy) weather. Ad. No. Z4/65. The matter concluded unless they come to claim
