General Report Comments: Upon arrival the security guard told me that the dog belongs to his boss and and they have been treating the lump with an ointment which they bought from the chemist and its not healing but it getting worse. His boss owns a security company named Night guard security. I had to give the security guard company a warning. The security guard phoned his boss and he told me that the dog came as a stray and one of his guard had to feed it and it's not for the security company. He told me he will take the dog to the vet.
