General Report Comments: Upon arrival the owner of the gave me access to the property. She had to accompany me to her neighbour 's cottage. The windows were open. The cat had access to go in and out the house. She had put the food and water outside for the cat to drink and eat. I phoned the owner of the cat and she told me he did not abandon his cat. He came but the owner did not allow them to go into the property. The owner of the cat went to the police station and the landlord gave me the cat. I took it to the Sandton SPCA and the owner came to reclaim it.
