General Report Comments: I went to the complainant to check their dogs but no harm to their dogs.I went to the acusse property and I have observed two dogs that appeared to be in good physical condition with the provision of water food and a shelter.The only reason the dog jumped to the neighbour is because owner wanted to take the dog to SPCA for sterilization but dog jumped to the neighbour.owner was offered to help with sterilization and she told me she will let us know when ready .
