General Report Comments: I met the owner, Innocent Ntambo at the property upon my arrival. He showed me his dogs(2). They both appeared to be underfed but water and shelter was available. The dogs were being fed poor quality dog pellets(Bow Wow) without any soft food additives twice a day. He said he was not aware that the brand of food has poor nutrients. Because the female was old i offered to take the dog and the owner signed over the dog (Ad #Z9/250. The owner also that the remaining male will be neutered in a few weeks. To pickup the dog to be sterilized soon
