General Report Comments: A follow up inspection conducted together with GDARD ,Samantha Jonker from permit office .We had a meeting with Dr Baker who was very arrogant and not willing to listen.The outcome was Dr Baker refused to sign the monkey over and the second option was to provide enrichment for the monkey which Samantha will give some information to him.The permits will be issued for one year and GDARD and SPCA will monitor the welfare of the monkey and to check on the provision of the enrichment.I awaiting for the copy of the permits.
