CHECKLISTS

General Report Comments: Mapule denied that she is going to poison the pigeons. She told me that she spoke with her neighbour that she does not like her feeding some feral pigeons because they make dirty at her property and they end up make some nest in her ceiling. She told her if she stop feeding them they wont come but she insulted her and the matter is at court now. She said she love animals she wont do that.

ACTIONS

NO ACTION REQUIRED

REPORT OUTCOMES

No welfare concerns found - NFA
