CHECKLISTS

General Report Comments: I went to the house to investigate the matter where I found the owner had already taken the bodies of the dogs to be buried in the veld acting out of shock and grief. There was no photographic/videographic evidence taken by the owner. There were no more dogs on the property but the owner showed traces of the poison already tempered with but there were still traces of poisoned meat in the yard. According to the owner, the suspect came to to fight over a girlfriend (Unathi Makoko) with one her tenants, I asked to the girlfriend, Unathi Makoko's account on the matter who stays with Mrs Ndlela. She said the suspect couldn't accept the fact that they had broken up. She also gave me the details of the suspect Mr Meluleki Jiyane, who stays at the Rocket Heights flat in Troyeville. I advised the owner to take the meat into a container and open a case of damage to property with malicious intent while I go to interrogate the suspect. I will go to look for the suspect in Troyeville
