General Report Comments: Inspector Siziba and I found the owner's girlfriend/partner in the house and the dogs were still being kept under the bed. I contacted the owner, Mr Maake who was at work 2 streets away. He started insulting me over the phone by asking why we always after his dogs. He called me all sorts of vulgar words and hung up the phone. He then rushed over to the house while I was getting a warning book in the car. He found Inspector Siziba next to his house and started assaulting him with 2 of his friends we drove off the scene as it started to be dangerously violent. The dogs will remain locked and we will be obtaining a warrant to have them seized.
