Comments:	The address you provided was incorrect. 69 Melville Road, Illovo is a business premise designed for venue and hosting bookings called the Summer Place. i spoke to one of the security guards and access controllers, named Lydia Ncube at the entrance working for EC security . She stated that no Pitbulls or dogs are being kept on the property. She also said that she hadn't seen any Pitbull straying in the street but knows of a black Pitbull that gets taken for walks daily passing their entrance. Despite Lydia's account, I still insisted on having a brief look inside and he was able to confirm this with the manager. I contact the complaint to get accurate details
