General Report Comments: Upon arrival the concern was that the male Pitbull named Beast was sick, weak and lying unconscious. I asked if the dog was taken to a vet and and they told me that the Sandton SPCA told their uncle that the dog needs to be taken to the vet or put down. The uncle to the dog to Orange grove vet. I asked for the treatment which is given to the dog but they did not provide me with it. I had to give them a warning note to take the dog to veterinary.
