General Report Comments: I contacted the owner, Mr Guy Chingaya, to check in whether he was able to return in the country but he informed me that he was not successful in arranging his return. He got me in touch with his neighbour, named Mrs Mercia Pieters for access to his unit. A close examination of the bird nest indicates that even though it is not aligned with a free-fall drop into the pool, a swimming pool cover may be needed should the chicks, in any way obviously fall into the pool.

I advised Mrs Mercia Pieters that I will ask the owner for consent to put a shade netting over the swimming pool temporarily for the birds' safety. I then texted the owner, who gave me the go-ahead to do so. I will arrange the equipment to lay the cover over the swimming pool in the next week.
