VETERINARY PROBLEMS / HEALTH CO	No
CONFINEMENT OF ANIMALS	Free roaming - in property
CLEAN LIVING ENVIRONMENT	Yes

General Report Comments: The dogs were found inside the property. The mum dog appeared to be in a fair condition because it is breastfeeding 5 puppies. The owner told he was not aware that the puppies were coming out of the property. He checked and found the gap where the puppies come out under the gate and closed with a brick. He promised to close the gate weekend. I educated him regarding sterilisation and he agreed to do it.
