CHECKLISTS

General Report Comments: According to Bongani, he was only a witness to the incident that happened yesterday whwne his neighbour's dog got attacked by a dog. The attacked and deceased dog belong to his neighbour who stays at number 5 12th Street, Orange Grove. The owner returned home shortly moments later. I spoke to the owner, Mrs Sheralyn Crok who stated that her dog was attacked by another dog that came loose when being walked by someone from 4 streets away and her dog died. She said that the dog was taken to our clinic where they had to put him down. She said the offender's dog stays at 22 8th Street, Orange Grove and showed me his photo. The suspected offender is already a person of interest on a different case but I advised the victim to obtain her dog's vet report and open a case of malicious damage to property at the Norwood SAPS. To proceed with investigation of the suspected offender.
