CHECKLISTS

General Report Comments: I went to the complainant address and she had to show me her 2 dogs which were killed by a neighbour's dog. I educated the complainant to open a case at the SAPS if she needs the dog to be removed at the property or she needs compensation. I told her the SPCA duties is check the welfare of the animals. She told me the dogs are in good condition. I went to the address and left a warning for the owner to contact regarding her dogs killing a neighbour' dog.
