General Report Comments: At this house I found the sister of the culprit Natalie Shabangu. She said her brother Jayden was with his friends when they went out to carryig puppies. She said the friend stays a few houses away at house no. 70 Galteemore Street, Malvern. I found the owner of the puppies, a young boy named, Brendon who showed the only puppy that was busy dying next to the kennel after the rest of the litter also died. They compelled to surrender the puppy and was later euthanized at the Bedfordview Vet. The mother, Mrs Shelly Gwara was issued with written warning and discouraged not to keep anymore pets in a rental living situation.
