General Report Comments: The owner's wife allowed me access to inspect the dogs' living conditions. They own 2 dogs - Pitbull terriers that appeared to be in acceptable physical condition. Water and shelter were provided for the dogs. Mrs Moodley admits that the dogs tend to run into the street, especially the new puppy that they just got recently. I advised them on dividing the yard to prevent the dogs from escaping and she stated that they already had plans to partition the yard from back to front yard. I also offered sterilisation of the puppy in our clinic. No offences in respect of animals found.
