General Report Comments: The dog appeared to be in good condition. Shelter was provided outside the house and also the dog slightly open that the dog had access to the room. The concern was that the owner was out of the country and the neighbours have not anyone on weekends. I had to leave a warning with Estate manager. He had to email the owner of the dog Mr Chen Congliang who responded and said there are people who feed during the week and also on weekend. And he already asked asked the person who house sit on weekend to keep the dog in his property.
