General Report Comments: In the morning of the complaint, the owner contacted me to inform of his epileptic dog that kept screaming during episodes of seizures as I had previously been to his house. He called me to say he would rather surrender the dog to the Sandton SPCA because he'd already been bitten by the other dogs when having seizures. I then went to the house to fetch his dog named "Rusty" to be humanely be put down.

ACTIONS

OTHER Dog was surrendered
