General Report Comments: Upon arrival the Boerboel dog named Zeus had cancer lumps and head one near the mouth which has burst. The owner told me the dog was on medication which he got from the veterinary. The dog was treated at corner veterinary in Bryanston. He also had to show me the medicine being used. He also told me that he had booked for Zeus to be euthanised on Monday 17 Feb 2025, I asked him to take the dog to another vet. In the afternoon he sent me the Bill which shows that the dog has been put down and also the vet report.
